## Our Corporate Sustainability Director Speaks

In His Own Words

We had gone through a meaningful year in 2014, we have awarded for the PMHA 2012/2013 - Notable Environmental Performance Achievement, EPIF 2014 International Green Classics (IGC) Awards (Green Service), ACCA Malaysia Sustainability Reporting Awards (MASRA) 2014, and we also received Malaysian Brand Certificate.

We also participate in a lot of local green exhibition, no matter is big or small scale event. Throughout the event, we meet a lot of interesting people, and we share our green concept together.

In year 2015, the management wishes everyone an abundance and successful year ahead.

## Green Supplier Circle

This is the 4th year we organized Green Supplier Circle on 6 November 2014 (Thursday) at NetsEco Meeting Room.

The objectives of this meeting are:

1. To create awareness about Green Purchasing,
2. To increase resource efficiency and reduce environmental impact
3. To build a responsibly supply chain for the eco industry

We have total 7 participants from 5 different companies, there are Paper Supplier, Finishing Supplier, and even potential supplier among them.

The Green Supplier Circle ended with a meaning discussion and we look forward for next year session.

## Pameran Human Resource Greenskills Summit

We had been invited to join in to exhibit our eco printing and eco printing at the Pameran Human Resource Greenskills Summit on 27 November 2014 (Thursday), Putrajaya International Convention Centre.

The Conference organized by Ministry of Human Resources, and

The aim of this newsletter is to communicate the environmental friendly initiatives taking place at Nets Printwork to our stakeholders. We are committed to supporting and promoting sustainable products and services. At the same time, we would like to encourage all our stakeholders to become supporter or even advocates for sustainable development. This is only the first step in transforming our core business area, we are expecting more sustainable partners for future projects.
