Others and Up Coming

In Jan, we will install new Fingerprint Attendance System to enhance and upgrade our monitoring system. Beside, we will conduct training of Environmental, Safety & Health (ESH) and Spill Drill to increase awareness of ESH and Spillage.

In Feb, we will organise Spring Cleaning, Fire Drill and Fire Prevention Awareness Training, and ESH Quiz. These is to ensure having a clean, tidy and safe environment for everyone and to increase awareness of emergency. Furthermore, we will organise Chinese New Year celebration on 13 February 2018. The aim of this newsletter is to communicate the environmental friendly initiatives taking place at Nets Printwork to our stakeholders. We are committed to supporting and promoting sustainable products and services. At the same time, we would like to encourage all our stakeholders to become supporter or even advocates for sustainable development. This is only the first step in transforming our core business area, we are expecting more sustainable partners for future projects.

YOU ARE INVITED

Swap Up Day

OBJECTIVE: GIVING YOUR UNWANTED/UNUSED ITEMS A NEW LEASE OF LIFE

EXCHANGE: This campaign is to encourage everyone to buy only what we needed, exchange our unwanted/unused items. We always keep goods that we do not use for years, some of them might be new or in very good condition. Throughout the campaign, we can clear our unwanted/unused goods and give a new lease of life to our unwanted/ unused goods.

BUY & SELL: If you wish to sell, please label your item with the selling price. Please be there to attract your interested customers.

Date: 29/12/17 (Friday)
Venue: no 54, first floor
Time: 12pm - 2pm

Items to be excluded: Clothes, shoes and nearing expiry items.

Please contact Ms. Kim @ 012-635 3083 if you have any further enquiries.

The carbon footprint of this newsletter is 1.48 kgCO2e

In His Own Words

Mr. Teh Leong Sim
Group Managing Director
Nets Group of Companies

Message from the Managing Director

This year we have unexpectedly receiving more visitors for the plant tour session. Some had visited our booth during some exhibitions and would like to know us further. Hence they had introduced us to their colleagues and we are able to establish further engagement.

We had also been invited to participate in major expo like NICE Expo for the first time to showcase our involvement in innovation sector. We had also showcase the eco furniture at the SMIDEX, the paper based furniture drawn much attention. We hope the collaboration with SIRIM will help us to promote the product further.

Finally, we managed to install the eco pantry and customer service area using the recycled wood from the wooden container left over after the installation of new press. The decorations at these areas also include some works of interns. Thus far, we have managed to recruit 7 interns to assist us in our operation. Besides, the routine, they also contributed to the plant tours and exhibitions. We look forward to more recruit more interns in coming years.
