The aim of this newsletter is to communicate the environmental friendly initiatives taking place at Nets Printwork to our stakeholders. We are committed to supporting and promoting sustainable products and services. At the same time, we would like to encourage all our stakeholders to become supporter or even advocates for sustainable development. This is only the first step in transforming our core business area, we are expecting more sustainable partners for future projects.

In His Own Words

Mr. Teh Leong Sim
Group Managing Director
Nets Group of Companies

Message from the Managing Director

A new year has begun. This CNY Celebration, we had taken the opportunity to celebrate Nets Printwork's 20th anniversaries and presented the Long Service Award to five (5) recipients, i.e. Ms Ng, Ms Agnes Chang, Ms Siu Teng, Mr Thu Win and Mr Eric Yeo. They have all joined and contributed to the Nets Group of Companies for more than ten (10) years.

It was a surprise to them and to all the other employees as this is also the first time we announced the Long Service Award. We are fortunate to have some senior employees to continuous support the growth of the company.

We have so far achieve a low turnover rate of less than 3% per month. We look forward to present more Long Service Award in near future. Wishing all a happy & prosperous New 2018 Year!
