In His Own Words

Mr. Teh Leong Sim
Group Managing Director
Nets Group of Companies

We continue to bring your good news beginning of this year. We are glad to share with you that we had received our first international award with the EPIF International Green Classic Award in March 2014. We are one of the three companies honored for their outstanding performance in offering green services. The IGC Awards program was launched in conjunction with the Eco-Products International Fair (EPIF). The EPIF was organised by Asian Productivity Organisation (APO) and it took place in Taipei World Trade Centre, Taiwan this year.

Besides , we received the Prime Minister's Hibiscus Award 2012/2013 (Notable Environmental Performance Award) in January. This is an evaluation of our continuous efforts in achieving the green standard.

Moreover, our NetsEco brand obtained the Malaysian Brand Certificate in February 2014. The National Mark logo is a mark of recognition of the quality, excellence and distinction of their products and services.

We hope with all these recognitions, we will be able to promote our brand, services and products further for local and international market. We will soon introducing more eco products to the eco savvy consumers. At the same time, we look forward to more business owners to have confidence in supporting the green industry, then we shall all experience the green growth together.

Eco Product International Fair (EPIF) 2014

Nets Printwork Sdn Bhd participated in the Eco Product International Fair (EPIF) 2014 from 13-16 March 2014 at Taiwan World Trade Center. This is our second time joining the EPIF exhibition. The International Green Classic (IGC) Awards was launched in conjunction with the EPIF this year to raise more awareness on green practices. There are three main award categories i.e. product, services, and innovation.

The applicant of the award have to go through the qualification and accreditation assessment, and also onsite evaluation. We are proud to announce that we are one of the winners of EPIF 2014 IGC Awards Green Service. The award ceremony was held on 13 March 2014 (Thursday) in conjunction with the opening ceremony of EPIF. Pn. Jamaliah Jamaludin , the Trade Commisioner of Matrade in Taipei and her colleagues have been invited to join us during the award ceremony.

A special arrangement took place during the exhibition. The organizer provide volunteer tour guide for the registered trade visitors and public. They can register themselves for a free tour guide and will be guided to the respective exhibition booth. We took part in the programme and it gave us additional opportunities to brief the trade visitors and public on how eco printing works and showcase our latest product development.

The luckiest of all! Mr. Soe received the most valuable prize.

Yee Sang session

Nets Group of Companies organised the yearly Chinese New Year luncheon on 28 January 2014 (Tuesday). This year we had organised one "God of Fortune" competition whereby Nets Printwork, Nets Impression and Nets Creative Station had to dress up one "God of Fortune" respectively. The evaluation was based on 4 criteria: teamwork, ecology, practicality and creativity. The employees were having a lot of fun during the session. Nets Creative Station won with slightly higher marks than the rest. We had the usual group photo session, yee sang session and the day ended with the lucky draw session.

At the assembly point during the fire drill sessions

We organised the fire drill and fire prevention talk on 8 March 2014 (Saturday). This year, we had invited a speaker Mr. Daniel Leong from Fire Prevention Centre to share with us about fire prevention. Everyone practice to arrive at the assembly point within 3 minutes after hearing the fire warning signal. Mr. Daniel also guide us on how to prepare for a more comprehensive fire drill next time.

Others and Up Coming

Gotong-Royong

We had the Gotong-Royong on 14 January 2014 (Tuesday). All the employees were doing the cleaning and tidying their respective office space. After the hard work, the office is ready to welcome the brand new year.

Up Coming

We will be introducing the eco office solution soon. Look up for the next issue.

Moment with employees

A sharing from Agnes Chang:

"Eco industry is a very challenging industry but we can feel more fulfilled after we completed the job for client."
