# In His Own Words

A handwritten signature in black ink, consisting of stylized, flowing letters that appear to read 'Teh' followed by a surname.

Mr. Teh Leong Sim  
Group Managing Director  
Nets Group of Companies

## Message from the Managing Director

It is our honour to have Associate Prof Muhammad Hariri, Director of Malaysia Design Council (MRM) to share 'Design Thinking' with our colleagues during the ESH Training at MRM this year. We would like to thank MRM for sharing the training venue. His comment on everyone can be creative and think positively to solve problem is a good take away message for our colleagues.

Besides, he and his colleague Mr. Mazlan also accepted our invitation to be the judge for our Eco Idea Corner Competition. The comments from them is valuable to further improve our quality of competition.

We look forward to more collaboration with MRM especially through Eco Design & Innovation Centre.

## Environmental, Safety and Health (ESH) Training

We have organised a training on Environmental, Safety and Health on 06 to 07 June 2019 to increase employees' understanding on ESH. This training was also conducted by Ms Teh Soo Tyng to provide information on company environmental policies scheduled waste management, SDGs. This year, we invited the director of Malaysia Design Council, Associate Professor Dr Mohamad Hariri Abdullah to give a talk on 'Design Thinking'.

### Eco Idea Corner/Workplace Competition Judging

Sustainability Department have organised second Eco Idea Corner / Workplace Competition in Nets Group. The judging day is conducted on 10 May 2019. This year, we have invited the Director of Malaysia Design Council, Associate Professor Dr Mohamad Hariri Abdullah and Senior Executive of Malaysia Design Council, Mr Mazlan as judges. It is a competition among three companies and the objectives are:

1. To communicate the eco concept to all stakeholders
2. To cultivate eco ideas and share with others

The aim of this enewsletter is to communicate the environmental friendly initiatives taking place at Nets Printwork to our stakeholders. We are committed to supporting and promoting sustainable products and services. At the same time, we would like to encourage all our stakeholders to become supporter or even advocates for sustainable development. This is only the first step in transforming our core business area, we are expecting more sustainable partners for future projects.
