Visit from Limkokwing University

41 students and 3 lecturers from Design School of Limkokwing University of Creative Technology visited us on 29 August 2012 (Wednesday). They were separated into three groups. They were given an overview of eco printing, how to design to produce the right output and the development of a printing firm.

The students were given further insights on the digital proof.

NetsEco Green Supplier Circle

The Second roundtable session for supplier entitled 'Green Supplier Circle' had been conducted on 8 September 2012 (Saturday). The event aims to build a responsible supply chain for the print industry.

The suppliers (6 representatives from 5 organisations) came from various sectors of the printing industry i.e. machinery, finishing and papers. The suppliers were shown the NetsEco video clip before the discussion on the latest trend in the printing market, eco-labelling and green procurement matters.

Talk at MIMKAS CSR Bootcamp

Ms. Teh Soo Tyng was invited by Malaysia Institute of Management (MIM) to present the NetsEco Sustainability Initiatives at The Zon, Johor Bahru on 20 September 2012. The bootcamp attracted more than 30 CSR practitioners, people who are interested in CSR. The MIM-KAS CSR Bootcamp aim to equip the companies with skills, knowledge and competencies that will enable the company to fully integrate social responsibility in ways that will benefit both society and business.

IGEM 2012

We participated in the International GreenTech and Eco Products Exhibition held from 10-13 October 2012, at the Kuala Lumpur Convention Centre (KLCC) for the third time. This time we took four booths to showcasing our Meeco™ stationeries products under the theme "Biodiversity".

Nets Creative Station received the Commendation Prize for the Best Booth Design category. The booth was not only constructed by using our pallet, but also the used ink tin, ink container, used plate and used plate boxes.
