Towards greener pastures

 NEWSLETTER

what's in store...

In His Own Words

Further to the Eco Innovation Award, we are happy to announce that we receive another award in recognition of our green efforts. We receive the "GreenTech Industry" award conferred by Malaysian Green Technology Corporation (MGTC) as well as from Ministry of Energy, Green Technology and Water, Malaysia (KeTTHA).

Our chairman also being conferred the Johan Setia Mahkota (JSM) by DYMM Yang di Pertuan Agong.

This year, we had our annual tree planting activity at Kuala Selangor. This time we organised it together with our team building activity.

Besides, we organized ESH talk and video presentation to the employees to enhance employees' Environment, Safety and Health (ESH) knowledge. There will be a quiz to test the awareness of the employees and the effectiveness of the ESH training. This will ensure that they have a better understanding of ESH.

I would like to thank you everyone for your support and making us different with others.

Happy New 2014 Year!

GreenTech Industry Award

Nets Printwork Sdn Bhd received the "GreenTech Industry Award" conferred by Malaysian Green Technology Corporation (MGTC), supported and endorsed by the **Ministry of Energy, Green Technology and Water (KeTTHA)** and supported by **REHDA, FMM, SIRIM, CETREE** and **MPI** and other sector renowned organisations on 12 October 2013 (Saturday) at Mandarin Oriental Hotel, Kuala Lumpur. Nets Printwork is one of the four companies that received the award.

The **Malaysia GreenTech Awards 2013** is organised by the Malaysian Green Technology Corporation (GreenTech Malaysia) to honour Malaysian-based developers, industry players, financial institutions, secondary schools as well as members of the media that have played a catalytic role in driving the nation's green agenda.

Mr. Teh Leong Sim, Corporate Sustainability Director received award from YAB. Tan Sri Dato' Haji Muhyiddin bin Mohd Yassin, Deputy Prime Minister of Malaysia.

International Conference on Green Purchasing at Sunway Resort

Nets Printwork Sdn Bhd had been invited to participate the 4th International Conference on Green Purchasing organized by Green Purchasing Network Malaysia (GPNM) Conference at Sunway Resort from 18-20 September 2013. The three day conference brought together world renowned experts and practitioners with more than a decade of green purchasing and green productivity experiences to share the successful implementation of green purchasing and green productivity. We also set up one promotional booth at the Green Purchasing Expo to introduce eco printing and eco products.

corporate social responsibilities

Our facilitator doing the safety briefing

This year, our annual tree planting event took place at Kuala Selangor Nature Park. We have total 35 participants (employees, suppliers and clients) to join us on this meaningful event. The species we planted for this year is *Rhizophora mucronata*. *Rhizophora* is a genus of tropical mangrove trees, it live in intertidal zone of which are inbouded zone near to the ocean. The seedlings are viviparous. The leaves are opposite and oblong shape and have tiny black spots on the underside. The tree can grows up 30m tall and has curved stilt roots.

Having fun during tree planting session

After the tree planting activities, our employees were having team building activities right after that at the same places. The team building activities aim to gather all employees, build trust and enhance relationship with each others.

Part of the team building activities

environment safety & health

Environment, Safety and Health (ESH) Talk

The Eco Welfare Community invited Mr. Prame Kumar Nair to present one talk on Environment, Safety and Health to enhance employees' ESH knowledge. Mr Prame is currently the Head of Occupational Health, Safety and Environment of Monash University Malaysia Campus. He is an experienced practitioner in the said field.

The talk is part of the Environment Safety and Health (ESH) campaign. Prior to the ESH talk, we have shared some video presentation about ergonomic, production safety and health to the employee.

Token of appreciation from Ms Teh, Sustainability Manager to Mr Prame Kumar Nair

Recycling Talk

Speaker from Tzu Chi Foundation

To further enhance the knowledge of 3Rs stated in our Environment Policy, we had organized one recycling talk for the employees. Seven members from Tzu Chi Foundation share how to practice recycling at home and office on 16 November 2013 (Saturday).

Before the talk

Gotong-Royong

This is the first time we had Spring Cleaning (Gotong-Royong) twice in a year. We organized it during the public holidays on 15 October 2013. It is so happy to see all employees worked together to clean up the office storeroom and their own work station.
