Message from the Managing Director

We have successfully organised the Eco Sense Workshop 2.0 entitled "Turning Up cycling into a Business" which is conducted by Mr. Yuttana from Thailand. The workshop managed to attract not just the design school lecturer and students, but also representative from local government, non-profit organization and private sector. We are glad to have Assoc. Prof. Dr. Mohamad Hariri Abdullah, Director of Design Council Malaysia (MRM) to deliver the keynote opening address. MRM has also agree to open a new category for eco products /up cycling product under special award for Good Design Award this year. We hope our designers will grab this opportunity to present their products.

This Chinese New Year Celebration we had again presented the 10 years long service award to two employees. We look forward to lower turnover rate and more long service employee to stay with us.
